

Skills Impact

# Future of Training Packages

Rosalie Staggard  
General Manager Operations  
Thursday 30 March 2017

# Vision

# An effective system

- Aligned to the needs of modern and changing labour markets
- Lead to employment and employment mobility
- Employability skills core part of training
- Applied learning model
- Quality and integrity

# Strength of current system

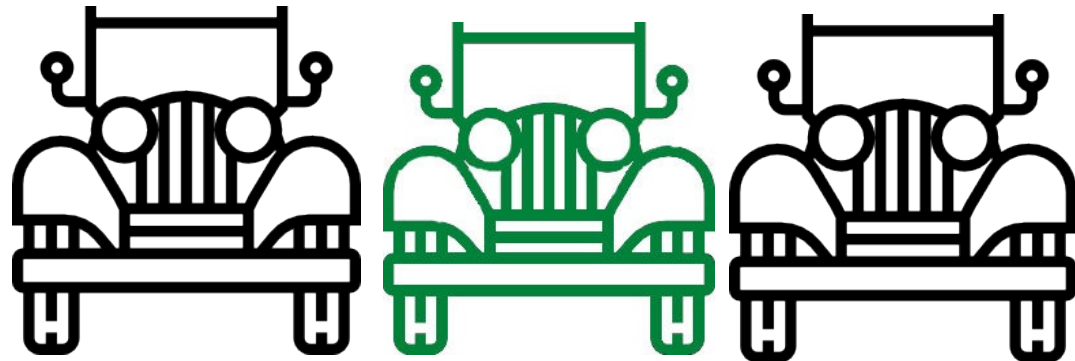

# What is the best way to ensure we can strengthen the system

- Build capability and skills to meet current and future needs
- Facilitate high-quality outcomes
- Enable access to the system
- Support educational pathways

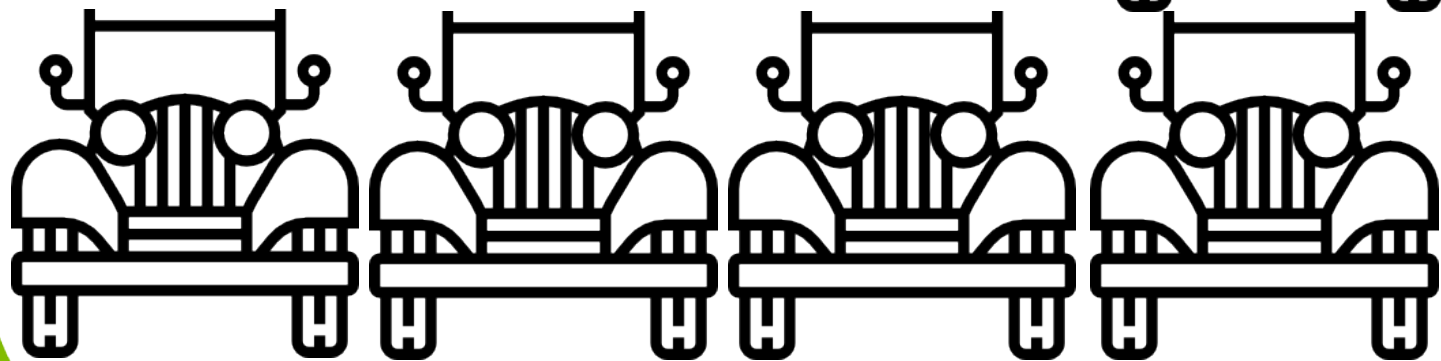

## Different schools of thought

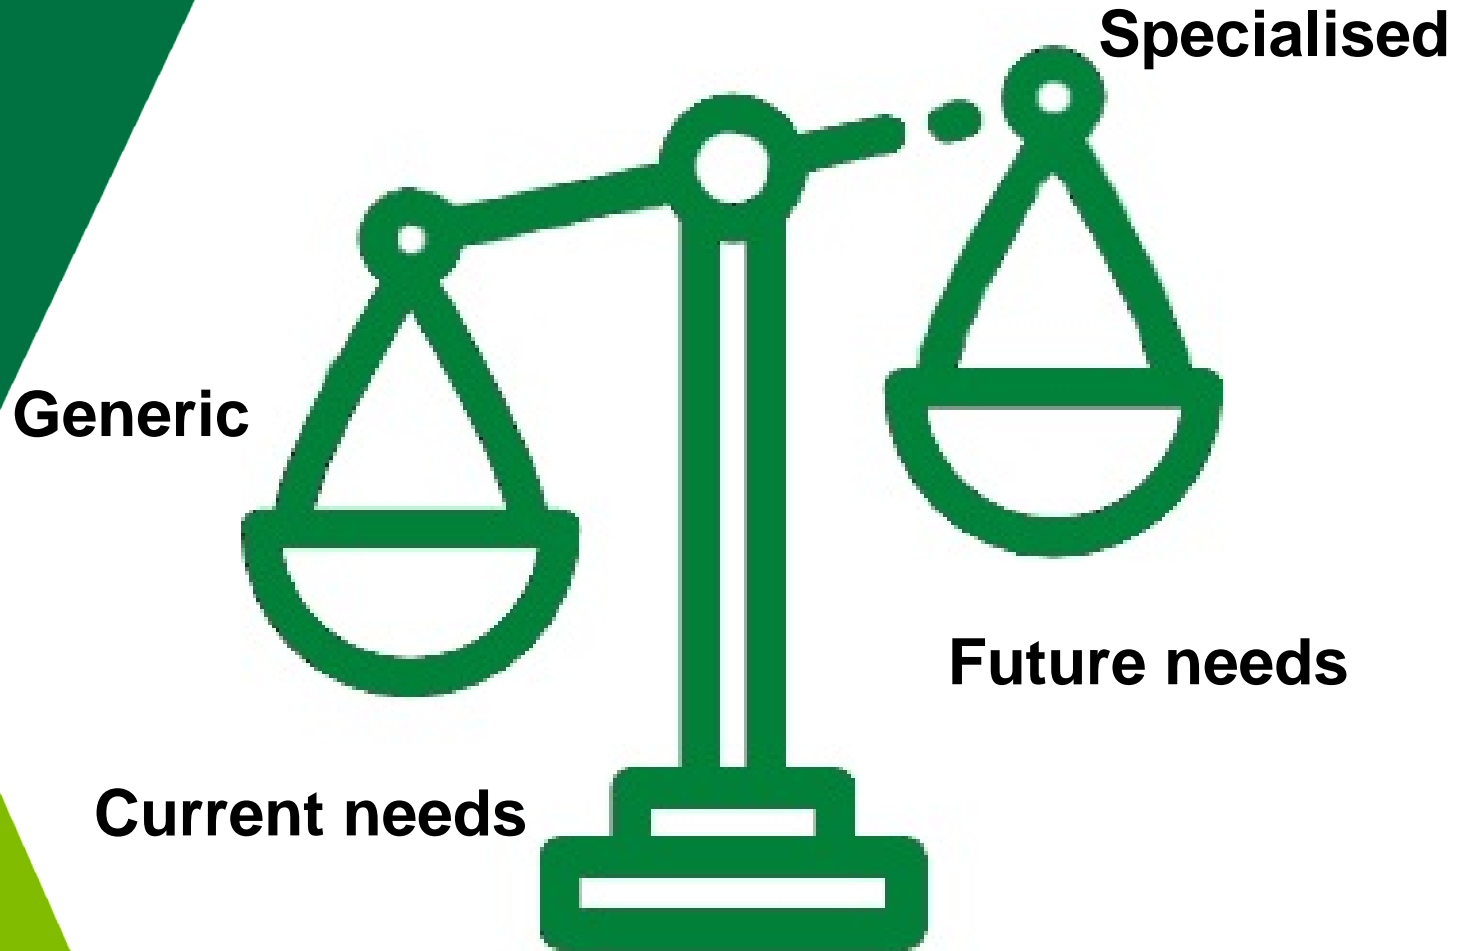

One size fits all??

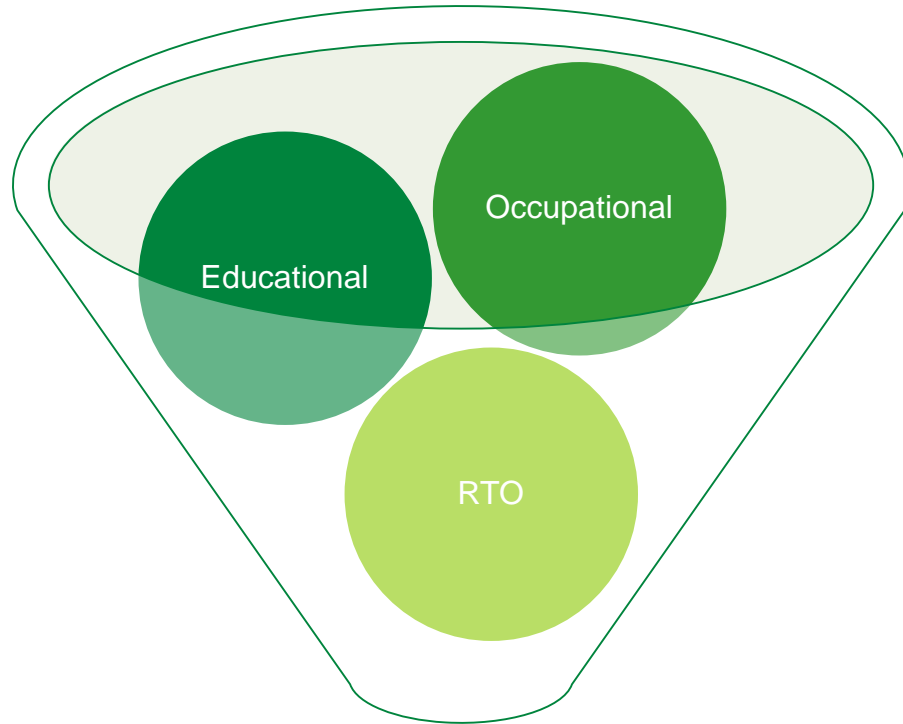

# Balancing Act

# Standards

**Quality**

# Assessment

Formative

Summative

# Collaboration and Agreement
